

# Town of Wickenburg Direct Pay Electronic Funds Transfer (EFT)

Tired of writing a check each month to pay your utility bill, having to go online to make a payment, or calling with credit card information? Enroll in our Direct Pay Program and your monthly bill can automatically be paid directly from your checking or savings account.

By enrolling in our **Direct Pay Program** you:

- no longer need to write out a check monthly
- can relax knowing your bill gets paid even when you are out of town
- be assured that your payment will arrive on time so you don't incur any late fees or risk having your services terminated for nonpayment
- still receive a monthly statement in the mail telling you the amount to be deducted from your account, and what day it will be deducted
- save on the cost of postage

To participate, simply complete this form then mail it in with your next payment, scan & email it to [utilities@wickenburgaz.org](mailto:utilities@wickenburgaz.org), fax it to (602) 506-1580, or drop it off in person.

❖ Prior to enrolling in this program, all past due charges must first be paid in full.

❖ DIRECT PAY will print on your bill so you will know that you no longer need to submit a payment.
