Governor Doug Ducey's executive order was announced this afternoon.

"STAY AT HOME, STAY HEALTHY AND STAY CONNECTED". The executive order will be effective beginning 5:00pm on March 31, 2020. The order encourages individuals and families to limit the activities they do away from home.

Wickenburg Unified School District will now begin implementation of its previously developed "Stay at Home" plan. The plan establishes minimal levels of employee staffing onsite to run the schools and district offices. Social distancing had currently been in effect, now most work will be done off site.

Digital educational programming through Google Classrooms will continue until the end of the school year. For those unable to connect online, educational paper packets will continue. The "Grab and Go" food distribution to children is essential and will also continue.

Each school principal's contact information is listed below. The administration is happy to answer any questions or be of assistance in any way.

We echo the Governor's encouragement to stay connected. Please follow us on our social media and our website www.wickenburgschools.org for up to date information. You can also reach out to one of our school principals if you have any questions.

Hassayampa Elementary - Carissa Hershkowitz cahershkovitz@wusd9.org 928-684-6750

Festival Foothills Elementary - Julie Case jcase@wusd9.org 928-501-6000
